### ***INTRO: C#m A E C#m A E***

C#m            A            E            B  
Consuming fire burn away, burn away  
C#m            A            E            B  
My heart's desire for anything, anything  
          F#m                    C#m            A/C#  
That does not come from You alone, O God  
          F#m                    C#m            A/C#  
I want to follow You alone, O God

### ***CHORUS:***

          E                    E/D#  
You have shown us, O Lord  
          C#m                    A  
What is pleasing to You  
          E                    E/D#  
To love what You love  
          C#m                    A  
And to do the things You do  
          F#m                    E/G#  
To do justly, love mercy  
          A                    B  
Walk humbly after You  
          F#m                    E/G#  
Do justly, love mercy  
          A                    B                    C#m A E  
Walk humbly after You my God
