

## COME AND SEE

W/M HOLLAND DAVIS

Am7 C G D  
Come and see the King of Love  
Am7 G D  
Who took on Himself our suffering and shame  
Am7 C G D  
There now He stands, see His hands and feet  
Am7 G D  
Mercy forever poured out for me

Am7	G	D
And I will praise You, O Jesus		
F	Am7	D
For the life You've given me		
Am7	G	D
And I will love You forever		
F	Am7	D
And rejoice before the sovereign King		

Crowned with thorns, beaten and bruised  
The King of Heaven stood in our place  
See Him arise with joy in His eyes  
Showing His love with arms open wide
